

Beach weddings are a beautiful experience. Picture the sun setting, gentle breezes, gorgeous skies, ocean gently lapping at the shore.....

But sometimes Mother Nature surprises us with a rainy or windy day. Unity of the Keys offers couples peace of mind for just such occasions. This can be especially comforting for couples getting married during rainy season.

For a non-refundable deposit of \$100, Unity will reserve the sanctuary for you. In the event that there is inclement weather, you can have your ceremony in air-conditioned comfort. The \$100 fee is applied to a two hour time period with the remaining \$100 due only if you hold your ceremony at Unity of the Keys. There is also a four hour back-up available with \$150 non-refundable deposit and a balance of \$150 due only if you have your ceremony at Unity.

Please call the church office at 305-296-5888 or email church@unityofthekeys for more information or to reserve the sanctuary in case of inclement weather.

We may be available as your last minute back-up venue. Call the church office or call Eileen, the church coordinator, on her cell at 305-849-2672.
